**MEMORANDUM**

To: All Parishes  
All Clergy  
All Schools

From: Archbishop Weisgerber

Date: January 5, 2010

I would like to provide a further update regarding our H1N1 planning. While the number of cases of H1N1 has decreased significantly, we must remain vigilant in maintaining good hygiene practices – the presence of hand sanitizers is very important in this regard.

In terms of liturgical practices, effective today, I am removing the temporary restriction - stage 1 of our Pandemic Preparation/Liturgical Protocol. Therefore we will return to our normal liturgical practice of sharing peace with a handshake and of refilling parish holy water fonts.

As in the past and to ensure consistency in our churches, please communicate the changes to your parishioners.
