

Missionary Opportunity: “Live-In” Host Couple

Catholic School of Evangelization, St. Malo, Manitoba

The Catholic School of Evangelization (CSE) Inc. is a lay ministry focused on living the Gospel in community and proclaiming it through the ministry of evangelization. We strive to be leaders in the New Evangelization and to invite young people to know and follow Jesus.

The CSE is currently seeking a couple (with or without children in their care) interested in serving as “Live-In” Hosts. Basically, to call the CSE “home” for a minimum of one year, and to take care of it as such.

As “Live-In” Hosts, the missionary couple would serve primarily by being a welcoming presence to staff & guests, and by ensuring maintenance and cleanliness of the CSE building & grounds. The building has no other people living in it at this time, but welcomes retreatants, campers, and renters throughout the year.

Hosts would stay rent-free at the Catholic School of Evangelization, which is situated in the town of St. Malo, Manitoba, 45 minutes south of Winnipeg. The building is walking distance from the St. Malo Grotto and beautiful St. Malo Provincial Park, and is next door to an English/French bilingual Catholic parish. If needed, hosts may be employed outside of the CSE, or seek employment by the CSE on a contractual basis for services related to rentals or other ministries (i.e., catering, extra cleaning, or administrative duties).

Married couples of all ages with a heart for Christ and youth are encouraged to prayerfully consider this adventure in hospitality and loving service.

Interested or curious?

Please contact Nicole Gabra, board member, to discuss possibilities:
