

# *Taizé Prayer*

*First Friday of  
October through May  
7:00-8:00pm*

*Just come and pray in  
silence, word and song!*

This hour of prayer is named after the Taizé community in Taizé, France whose founder was Brother Roger.

Taizé has created a unique style of worship and music that is easily learned by the thousands of guests attracted to the community each year.

Taizé chants emphasize simple phrases of scripture, repeated in order to lead the worshipers into prayer and contemplation. In addition to chants, the candlelight services include a reading from scripture, silence and intercessory prayer and time to reflect individually.

**All are welcome.**
